From Cape Town, take N1 towards Paarl.

Take the R44 marked Stellenbosch, Wellington and turn left towards Wellington. Keep on straight for several kilometres, cross the four way stop and set of 2 traffic lights until you get to a T junction. Turn left towards Wellington.

After a few hundred meters, more traffic lights with large a white church on your left. Turn right into Church Street. Drive straight on through Wellington towards the mountains (Bain's Kloof). As you leave the town, the road climbs and bends to the right. Look out for Bovlei Winery, a large cream building on your right. About a hundred meters on is a left turn marked Bovlei Hill Road. Take this and then turn immediately right.

At the T junction turn right again. The road soon becomes a dirt track. Follow this road until your arrive at the double gates with the Doolhof 'D' in gold.
