Tasting Notes:

This Sauvignon Blanc is fresh and vibrant, with aromas of gooseberry, green fig, and passionfruit. The palate is zesty and crisp, balanced by tropical fruit and a hint of herbs. Lively acidity gives it a clean, refreshing finish. A well-rounded, easy-drinking wine which pairs perfectly with seafood, salads, or enjoyed on its own.

Winemaker's Notes:

This Sauvignon Blanc is a combination of cool site and one with more sunlight radiation, combining crisp acidity, citrus, and minerality with ripe tropical flavors and a fuller mid-palate. Grapes were carefully handpicked early, gently pressed, and cold fermented to preserve freshness and aromatics. A brief lees contact adds smoothness while keeping the wine crisp and lively.

FOOD PAIRINGS
